SUMMER 2015

WSU SUMMER IN GERMANY

College of Arts and Sciences

PROGRAM OVERVIEW

Located in the heart of Europe, Germany is an ideal landing point for getting a glimpse of Europe. The beautiful summer weather allows for many opportunities to enjoy the outdoors as well as the rich cultural life, making it an ideal location for international study. Berlin, the cultural and political capitol of Germany, is a city of 3.5 million people with fascinating historical, political, and cultural points of interest.

The Advanced German Language and Culture program enrolls participants in courses taught by WSU Professor Dr. JT Hughes. The courses offered in Berlin will count towards major or minor and are not transfer courses. They are 6-weeks in length and offer instruction at the upper-division level in German. Financial aid may be available for those who qualify.

Berlin is an ideal place to study German language and culture and offers a great home base for seeing the rest of Germany. Weekly excursions are covered by the tuition costs and students may opt to travel on the weekends at their own discretion.
